Poor people attacked by any sudden indisposition will be immediately relieved without a recommendation ; but they must procure one by the next day to entitle them to continue as patients.

It is earnestly requested that personal inquiry be made into the cases of the patients recommended, and to insert the name of the street where they reside.

Life Governors who wish to have blank printed recommendation forms may be supplied by sending for them to the Infirmary.

Donors of not less than Twenty-five Guineas, and an Executor or Nominee of any person bequeathing One Hundred Pounds, become Life Governors.

# REPORT OF THE WARRINGTON INFIRMARY and DISPENSARY FOR THE YEAR ENDING 31st DECEMBER, 1945

---

The Board of Management submit their Report, together with Statement of Income and Expenditure for the Year 1945.

## FINANCIAL AND GENERAL

The past year has seen the cessation of hostilities and the termination of the Emergency Hospitals Service Scheme after nearly six years of war.

With the closing down of this Scheme the financial obligation of the Ministry of Health ceased, and the Income from this source has fallen £9,000 as compared with the previous year.

Expenditure has not been reduced in like proportion and the year finished with a Bank Overdraft of over £6,000.

With the advent of a change in Government little is known of the proposed new Health Service, but it is expected that the Bill will be presented early in 1946, and until this is done the Voluntary Hospitals are unaware of the exact role they will be called upon to play in the proposed service.

During the year the Hospital Survey of North-West Lancashire, Cheshire and North Wales was issued by the Ministry of Health, and it is noted that this emphasises that the present buildings are wholly inadequate for the work.

Criticism is also made on the lack of real co-ordination of the hospital work in the Borough. Suggestion was made in the report that the Borough of Warrington should be under the Liverpool area, with the Medical Service based on the University Medical School, but both the Health Authorities and the Infirmary have signed a memorial requesting to be attached to the Manchester area.

The closer working with the Borough Hospital is being extended and during the year beds at Thelwall Grange were placed at the disposal of this Hospital and this Annexe is now practically full all the time.

The new Orthopædic Department extension was formally opened in January by the Viscountess Ashbrook. This extra accommodation has greatly increased the comfort of patients, making reception easier and providing for the treatment of a greater number of patients.

The V.D. Clinic has been transferred to the Borough General Hospital and the rooms set free will improve the services in the Out-patients' Department.

Many items of equipment unobtainable during the war have now to be obtained, together with the replacement of certain obsolete apparatus. The most pressing need at the moment is the bringing up to date of the X-Ray equipment, and the expenditure of £2,700 on this account has been authorised.

It will be recognised that the prices of these replacements have advanced very considerably since the outbreak of war, and certain of them are subject to Purchase Tax, thus increasing the present high cost.

With this report the Board are reverting to the pre-war practice of publishing a Report of the Medical Board, Classification of operations performed, Pathological and Matron's Reports, together with statistical information on Income and Expenditure. Study of these figures will show the high cost of all items in connection with the running of the Institution.

Tackling the Waiting List of 700 patients has been one of the main considerations of the Board and at the end of this year the number has been reduced to 236. This has been done with the co-operation of the Corporation Hospital, which took a number of cases, and the Surgical Staff which has been augmented by the return of Mr. D. H. Young, F.R.C.S., who has been appointed temporarily to the salaried post of Surgical Registrar. Every credit is given to

those persons who have helped to bring this large number down to a normal level. It is hoped to still reduce this number and so allow patients to be admitted in a matter of days and not months as has happened in the past.

### PATIENTS

The following table shows the number of patients who have sought the assistance of this hospital during the year :—

	1945	1944
★IN-PATIENTS	2640	2216
There is an increase of	424	
The daily average number of beds occupied	106·12	95·16
and the average stay in days of patients was	13·98	14·99
The average cost per bed per annum was	£299 6s. 7½d.	£306 11s. 2d.
and the cost per day was	16s. 4¾d.	16s. 9d.

### NEW OUT-PATIENTS

General Out-patients	6814	6939
Orthopædic Patients	3992	2865
Accidents	8739	8431
Total	19545	18235

### ATTENDANCES

General Out-patients	22677	16002
Orthopædic patients	35706	31932
Accidents	23103	21970
Total	81486	69904

### X-RAY DEPARTMENT

No. of patients dealt with in this Department for X-Ray Examinations	7405	6876
No. of Therapy Treatments given	612	566

### PATHOLOGICAL DEPARTMENT

No. of Specimens examined	4250	4421
---------------------------	------	------

### NURSING HOME

No. of patients admitted	317	321
Average daily occupation of beds	10·82	9·44

\*These figures include Thelwall Grange Annexe Hospital.

The above figures give some idea of the work of the Institution and the important part this Voluntary Hospital plays in the health service of the town and district. Details of the above work will be found in the Medical Report.

### INCOME

1945	1944	1943
£41,380 8s. 4d.	£48,686 2s. 3d.	£40,788 10s. 9d.
The serious drop of nearly £9,000 from the E.M.S. Scheme has affected the income and it shows a decrease of £7,305 13s. 11d. as compared with the previous year. Several items such as Subscriptions and Donations show increases and have helped to reduce the figure mentioned in the preceding paragraph.		

### EXPENDITURE

1945	1944	1943
£47,417 12s. 0d.	£47,653 14s. 6d.	£42,384 3s. 6d.

It should be pointed out that the above figures include Thelwall Grange Annexe Hospital.

The expenditure shows a slight reduction of £236 2s. 6d. This is due to the smaller number of extraordinary items of expenditure, as the ordinary expenditure shows an increase of £604 6s. Increases in rates of pay for every

grade of hospital worker, higher fuel costs, transport of Nurses and patients to "Hill-Crest" Nurses' Annexe and Thelwall Grange respectively, cleaning of the hospital and urgent repairs to same, have all tended to send up the expenditure. With further increases of pay to certain grades of Nurses from the New Year a further rise of expenditure can be expected.

#### BOARD OF MANAGEMENT

Mr. J. Inglis was appointed Deputy Chairman during the year.

Mr. F. A. Frost resigned the Chairmanship of the House and Finance Committee after many years of service in this post, and the thanks of the Board were tendered to him. He still retains his seat on that Committee.

Mr. C. F. Hill was appointed Chairman in his stead.

#### MEDICAL STAFF

The tragic death of Mr. W. S. Diggle, F.R.C.S., Consultant Orthopædic Surgeon, came as a great shock to the Board and his colleagues on the staff. He had been attached to the staff for over two years and was becoming well known in the district. The Board's deep sympathy was conveyed to Mrs. Diggle in her great loss.

Mr. P. B. Moroney, M.Ch.(Orth.), F.R.C.S., has been appointed Consultant Orthopædic Surgeon, to fill the vacancy.

Mr. D. H. Young, F.R.C.S., returned from the forces and informed the Board that he intended to give up General Practice and take up Surgery, as a Consultant. It has, therefore, been decided to create the post of Surgical Registrar. Mr. Young has been appointed temporarily to this post to conform with the B.M.A. Policy of allowing Medical Men who are now in the forces to apply. The appointment will be settled at the end of March.

Dr. John A. Ross, Radiologist, also returned to his duties from the forces towards the end of the year. The Board's thanks are tendered to Dr. J. E. Wraith for carrying on Dr. Ross's work during the war period.

Dr. S. Canter, M.D., has been appointed Assistant Medical Officer, Skin Department, to assist Dr. E. Pigott.

The Board once again tender their sincere thanks for the skill and attention shown by the members of the Medical Staff to the patients of this hospital.

#### NURSING STAFF

Ten Probationer Nurses have passed the State Final Examination and 16 Probationer Nurses have passed the State Preliminary Examination during the year. Eleven Nurses have passed the Hospital Final Examination and received the Training School Certificate.

It has now been possible to obtain a further supply of Silver Badges for the Nurses who have passed their Hospital Final Examination, and all those girls who passed through during the war period have now received their badges.

The applicants are not coming forward as formerly for the Preliminary Training School, and it is to be hoped that the steps taken by the Government to interest young women to take up Nursing will be successful.

A pleasing innovation was commenced through the efforts of the Ladies' Committee by the inauguration of a Nurses' Prize Day. The first prize was the sum of £5 presented by the Ladies' Committee for the best all-round Nurse of the year and there were other prizes given by various members of the Board and Workpeople's Committee.

Frances, Lady Daresbury, made the presentation and was accompanied by the President of the Institution, Lord Daresbury.

It is an event which should be certainly continued in the future.

#### OBITUARY

The Institution has lost by death the following friends:—

The Rt. Hon. Lord Lilford, Life Governor and Subscriber.

Miss Mary Hartley, Life Governor and Subscriber.

Mr. Harold Clarke, Life Governor.

Mrs. J. Domville, Life Governor and Subscriber.

Mr. Herbert Burrows, Life Governor and Subscriber.

Mrs. Isherwood, Subscriber.

### NURSING HOME

The Income for the past year amounted to £4,383 11s. 11d. and the Expenditure was £4,211 3s. 9d.

The Home has had a busier year than formerly, and has treated 317 patients. Miss A. Forster, Sister-in-Charge, has now completed one year's service.

The scale of charges has had to be amended owing to the heavier cost of commodities and the increased rate in the Nursing and Domestic salaries.

### ENDOWMENT FUND

The following legacies and donations for endowment purposes have been received and placed to the credit of the above fund.

Exors. of the late Mrs. Lucy Monks	....	....	£2,000
do.	Mr. Firth Lindley	....	£1,000
The "Steve Donoghue" Memorial Fund	....	....	£1,000
Mr. C. F. Hill (this makes a total sum of £2,000)	....	....	£475

Again attention is drawn to the splendid way of perpetuating the memory of some loved one by the endowment of a bed or cot.

### SPECIAL BUILDING FUND

The following free legacies were received during the year:—

Exors. of the late Mr. George C. Miller	....	£231 18s. 9d.
do.	Mrs. G. M. Cooke	.... £450 0s. 0d.

Donations to this fund have been received from the Ladies' Section, Workpeople's Committee, £56 19s.; Norton Arms Darts Club, £5 5s.; and the Inner Wheel Club, £5.

### HOSPITAL SUNDAY FUND

The sum of £435 6s. 6d. was paid over from this fund which was a decrease of £37 7s. 11d. as compared with the previous year.

There was no Special Service held during the year.

Thanks are tendered to Mr. J. L. Collin for his services as Hon. Secretary to this fund.

### WORKPEOPLE'S INFIRMARY COMMITTEE

The gross amount handed over to the General Fund was £31,672 5s. 8d., which was an increase of £584 19s. 7d. over the previous year. The payment to other hospitals, etc., was £13,183 1s. 8d., and the net amount of the grant, £18,489 4s., was an increase of £658 9s. 5d.

Thanks are again tendered to the Committee for the interest which they take in the welfare of the Institution and also to the representatives who sit on the various Committees for their advice and assistance.

### LADIES' LINEN GUILD

The grant from the Linen Guild was £310, a decrease of £55 against the year 1944. The Board again tender their sincere thanks to the Officers, Collectors and Subscribers for their continued interest and financial support.

### INFIRMARY LEAGUE OF HELP

The Board have received two grants this year of £70 and £140, making a total of £210, and they thank the members for this increased help.

### GENERAL THANKS

The Board wish to record their thanks to the Ladies' Committee, Alexandra Rose Day Officials and all other friends for services and financial assistance which they have rendered to this Institution during the past year.

Also a special tribute to all the staff for the work which they have performed during the year.

The Christmas Festivities for patients and staff were thoroughly enjoyed. There was as usual no expense on the General Fund, for which the Board thank those persons who subscribed to this special effort.

JAS. HENRY SMETHURST,  
Chairman of the Board

## Report of the Medical Board

---

The Medical Board present their report for the year 1945.

This is the first report since 1939 and during that time certain members of the Medical Staff have been serving with H.M. Forces and it is a pleasure to state that they have now returned to duty.

The usual lectures to the Probationer Nurses have been carried out by the Sister Tutor and the Hospital Examinations have been dealt with by the local Honorary Staff.

Since our last report in 1939 the services of Mr. T. R. W. Armour, F.R.C.S., have been lost by death, and his successor, Mr. W. S. Diggle, F.R.C.S., who was appointed two years ago, also died suddenly during the past year. The loss of the valuable services of these two medical men was severely felt by the Institution. Mr. P. B. Moroney, F.R.C.S., M.Ch. (Ortho), has been appointed to the vacancy of Consulting Orthopaedic Surgeon.

Mr. A. S. Kerr, F.R.C.S., was appointed Neurological Surgeon to the Institution and has been carrying out valuable work during the past two years.

The work of the Medical Clinics has increased very considerably under Dr. Baker-Bates, and to help him with his investigations the Board of Management provided an Electrocardiograph Apparatus, which has proved of great service.

Winmarleigh Ward was transformed into an operating Theatre in order to meet the greatly increased Waiting List and this Theatre has been of the utmost usefulness to the Surgical Staff.

Thelwall Grange has now been turned into an Annexe Hospital instead of a purely Convalescent Home and this has enabled cases to be transferred from the Parent Hospital at a greater rate than before, and so free the beds for other cases waiting for admission.

There have been appointments of Clinical Assistants to various Consultants in order to help the general efficiency of the Out-Patient Clinics.

A new extension to the Orthopaedic Department was opened in the early part of the year and this has given improved accommodation and more privacy to the patients. The work of the Department has been divided into a Fracture Clinic and Physio-Therapy Unit.

Mr. D. H. Young, F.R.C.S., was appointed Senior Surgical Registrar towards the latter end of the year and he is in control of the whole of the bed accommodation, Resident House Surgeons and assisting in the general routine of the Hospital.

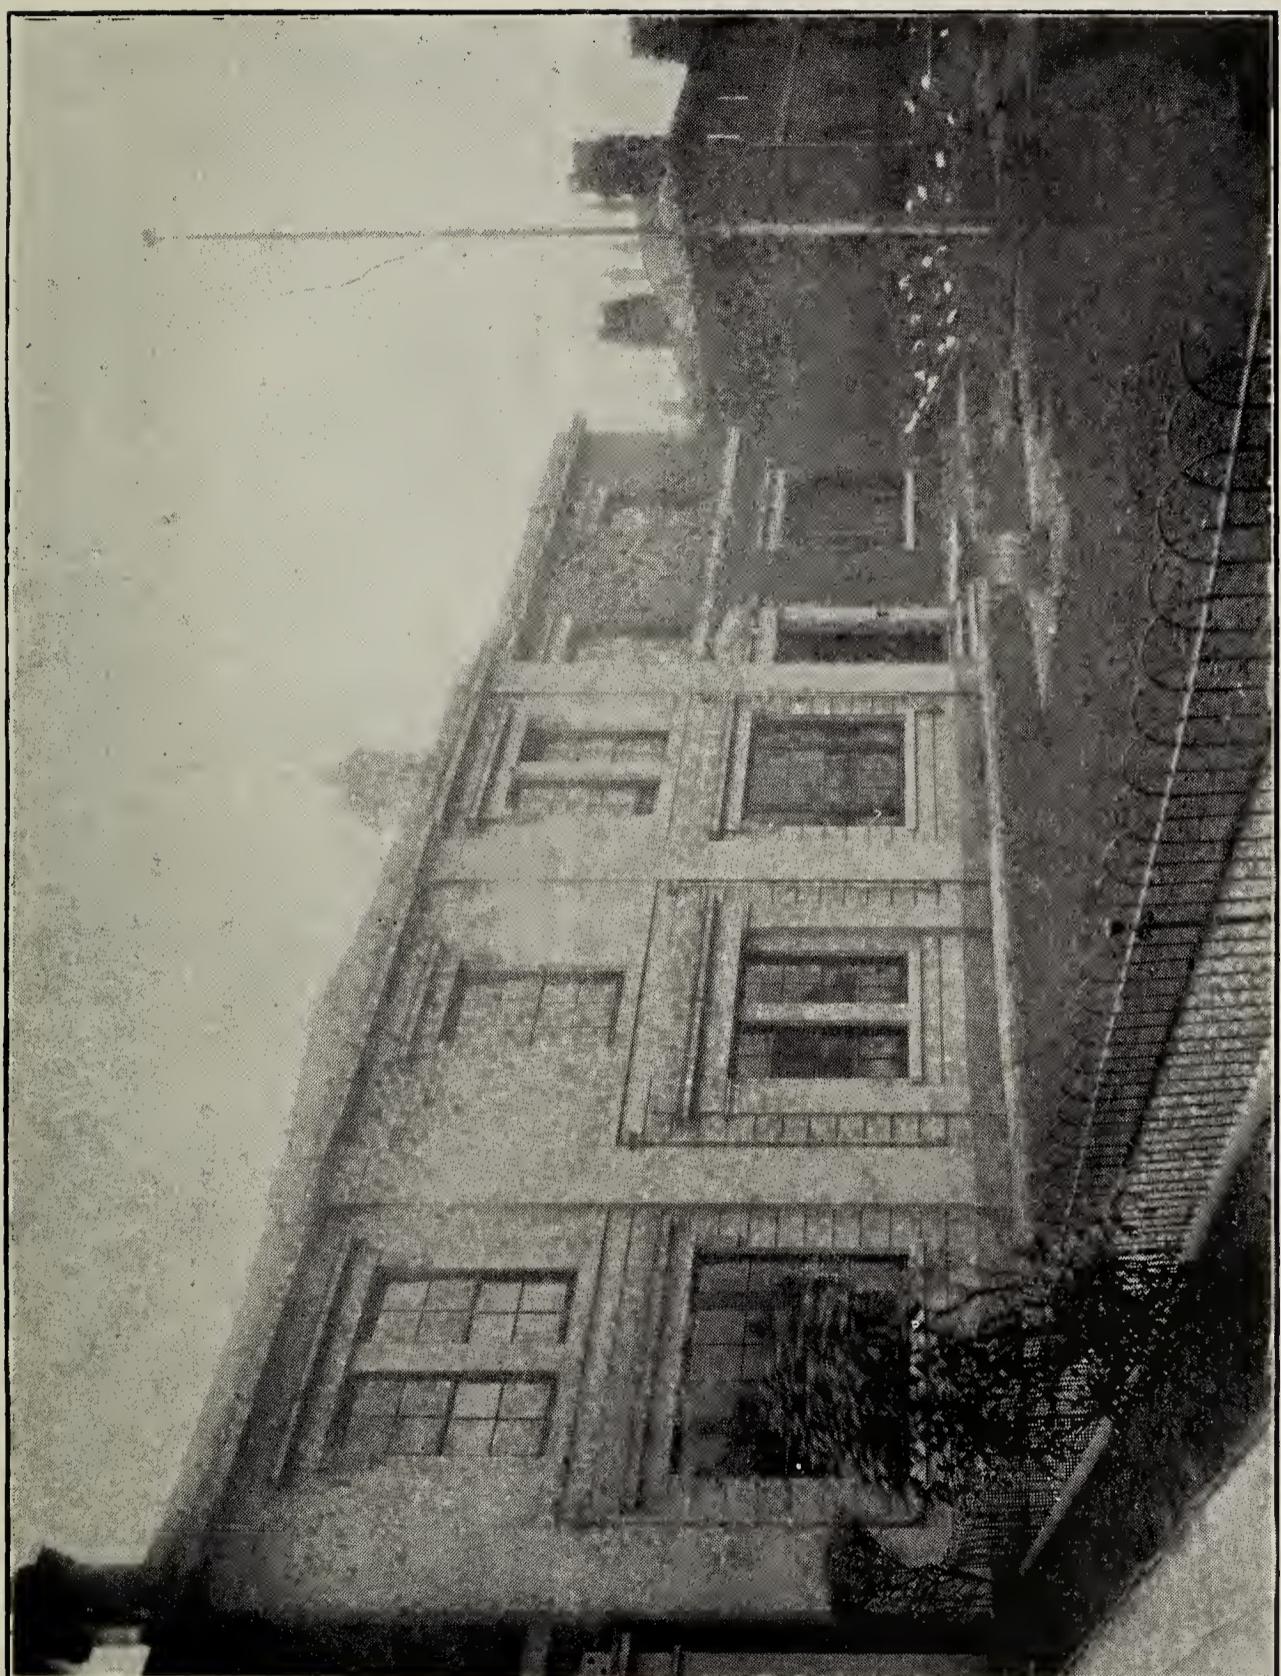

The Medical Library has been kept as up to date as possible, but the Pathological Museum has been in abeyance since the commencement of the war.

Dr. J. A. Ross, the Radiologist, has now returned to take control of the X-ray Department and the thanks of the Medical Board are tendered to Dr. Wraith for her services during the war period.

The Medical Board express their thanks to the Resident, Nursing and Administrative Staff for work done under very difficult conditions.

G. A. SINCLAIR, M.A., M.B. Ch.B.  
*Secretary.*

NURSES' HOSTEL

## MATRON'S REPORT

At the beginning of 1945, the Night Staff were transferred to the Reuben Higham Nurses' Home at Hill-Crest, Grappenhall, which until December had been used for the nurses transferred to Winwick Emergency Hospital only. This Home is much appreciated by the Night Staff, not least on account of the quiet and pleasant surroundings.

We have had various changes on the Staff during the year. In March, Miss E. C. Kidd resigned the position of Night Sister, after nearly seventeen years' service. Mrs. S. Hickman, Junior Night Sister, was appointed to the senior position, and Miss P. Anderson joined the Staff as Junior Night Sister in May.

Miss M. Wignall resigned her position as Sister of the Women's Ward in March, and Miss E. M. Lewis was appointed in her place.

Miss E. C. Conway joined the Staff as Junior Theatre Sister on April 1st, and shortly afterwards, Miss R. O. Quarmby, the Senior Theatre Sister, resigned. Until the end of December, both Theatres were under one Sister.

In the recruitment of Student Nurses this year has been the most difficult of my tenure of office. Ten Student Nurses only entered the Preliminary Training School, of whom eight remained to train.

From the Affiliated Training Schools, five nurses were received, three from Wrightington Hospital, and two from the Women's Hospital, Liverpool.

Twelve nurses left on the completion of their training, and one, a second-year nurse, left to be married.

A very pleasing event in the annals of the Training School took place in August; the first Prize-Giving. Frances, Lady Daresbury, presented the prizes, eight in number, which were given by various friends of the Infirmary. Many former members of the Staff were present.

In this, my first report, I would like to record my gratitude to those members of the Red Cross and St. John's who came so regularly, for their valuable services throughout the war years.

At Thelwall Grange, Miss M. Macdonald, Day Sister, left in February, and was replaced by Miss M. Garrigan, one of our own nurses. Miss J. Cooper, Night Sister, left in September, and Miss J. Wilson was appointed to this position.

The problem of obtaining suitable Domestic Staff has not improved. Our few resident maids remained faithful despite many temptations during the war.

The Number of the Nursing Staff on December 31st, 1945, was as follows :—

Matron	....	....	....	....	....	1
Assistant Matron	....	....	....	....	....	1
Sister-Tutor	....	....	....	....	....	1
Home Sister	....	....	....	....	....	1

Ward and Departmental Sisters				....	....	8
Staff Nurses	....	....	....	....	....	1

# CONTRIBUTORY SCHEME AND APPEALS DEPARTMENT

The details of the Government's new Health Service is awaited with interest. Will Contributory Schemes have to go? This burning question has been asked many times during the past year. Many suggestions have been put forward at Conferences of the British Hospitals Contributory Schemes Association for their retention. Under the Social Security Scheme, everyone will be asked to contribute the sum of 4s. 7d. per week. We have been told that this payment will cover all Social Services, including a Health Service. Therefore, it might be rightly assumed that Contributory Schemes as we know them will cease to function and that H.M. Government will either pay block grants or financially control the Hospitals of the future.

The Voluntary Hospital Contributory Schemes can be justly proud of their long years of service to the Voluntary Hospitals and to the contributors and their dependants.

These Schemes were founded and have been built up by the personal sacrifice of a sympathetic band of men and women, all working for a common cause. Tradition is a thing that means a great deal to the British public and in the Voluntary Hospital movement we find embodied something that we are gratefully and genuinely proud of. That lamp of kindness and sympathy which has burned for so long in the Voluntary Hospitals still burns as bright as ever. Let us hope that it will never be extinguished.

During the past year, 55,000 persons contributed the sum of £31,672.

4151 persons received In-patient treatment.

22590 persons received Out-patient treatment.

## ANALYSIS OF IN-PATIENTS

- 2376 persons received In-patient treatment at Warrington Infirmary.

# **WARRINGTON INFIRMARY PRIVATE NURSING HOME.**

## **Regulations for the Guidance of Patients, their Medical Attendants and Visitors.**

1. Application for admission, except in emergencies, must be made on a special form which must be forwarded to the Superintendent at the Infirmary.
2. The applicant will then be informed if and when he or she can be admitted.
3. Only cases suitable under the Infirmary Rules and By-Laws can be admitted.
4. The patient can be attended by his or her own Medical Attendant, the Honorary Medical Staff having no responsibility except by arrangement with the Medical Attendant. Any member of the Honorary Medical Staff called in as a Consultant will be entitled to a fee for his services.
5. The charge is six guineas per week for a bed in the semi-private Ward and from seven guineas upwards for a separate room according to size. These charges include Board, Ordinary Medicines, Dressings, Service of Nurses. Use of Operating Theatre, Special Medicines, X-Ray and Pathological Examinations will be charged extra.

Patients who require treatment for a period less than a week will be charged as follows:—

One and a half guineas for the first day for the semi-private Ward and two guineas a day for a separate room; for each succeeding day one guinea for a semi-private ward and one and a half guineas for a separate room. If any patient requires the services of a special nurse the usual charge for Private Nurses will be made in addition.

The day of admission and the day of discharge will be charged as one day. Washing of personal linen cannot be undertaken.

6. All payments must be made weekly to the Superintendent by the guarantor or patient unless otherwise arranged with the Superintendent.
7. The Nursing Staff are not allowed to receive any fee, reward or gratuity of any kind for any service done in connection with the patient.
8. Patients are required to be provided with a proper change of Linen, Dressing Gown, Brush, Comb and Towels, but they are requested to bring no more luggage than is absolutely necessary.
9. The stay is usually limited to six weeks, but may be extended by the Nursing Home Committee on the recommendation of the Medical Attendant.

10. Patients may be visited by the Clergy whom they desire.

11. Visitors will only be allowed by wish of the patient. The ordinary hours of visiting, except in emergency or special circumstances, are from 2 to 4 p.m., and 6-30 to 7-30 p.m. daily.

If permission from the Medical Attendant is obtained visiting will be allowed between 11 a.m. and 12 o'clock daily, but visitors will be required to leave the ward when the Doctor visits the patient or when dressings, &c., require the attention of the Nursing Staff.

The Wards are closed altogether to visitors (except in emergency) from 4 to 6-30 p.m. daily.

Visitors are requested not to enter the Wards without the permission of the Sister in Charge or her deputy, of whom enquiries may also be made.

It is in the interests of the patient not to have more than two visitors at one time.

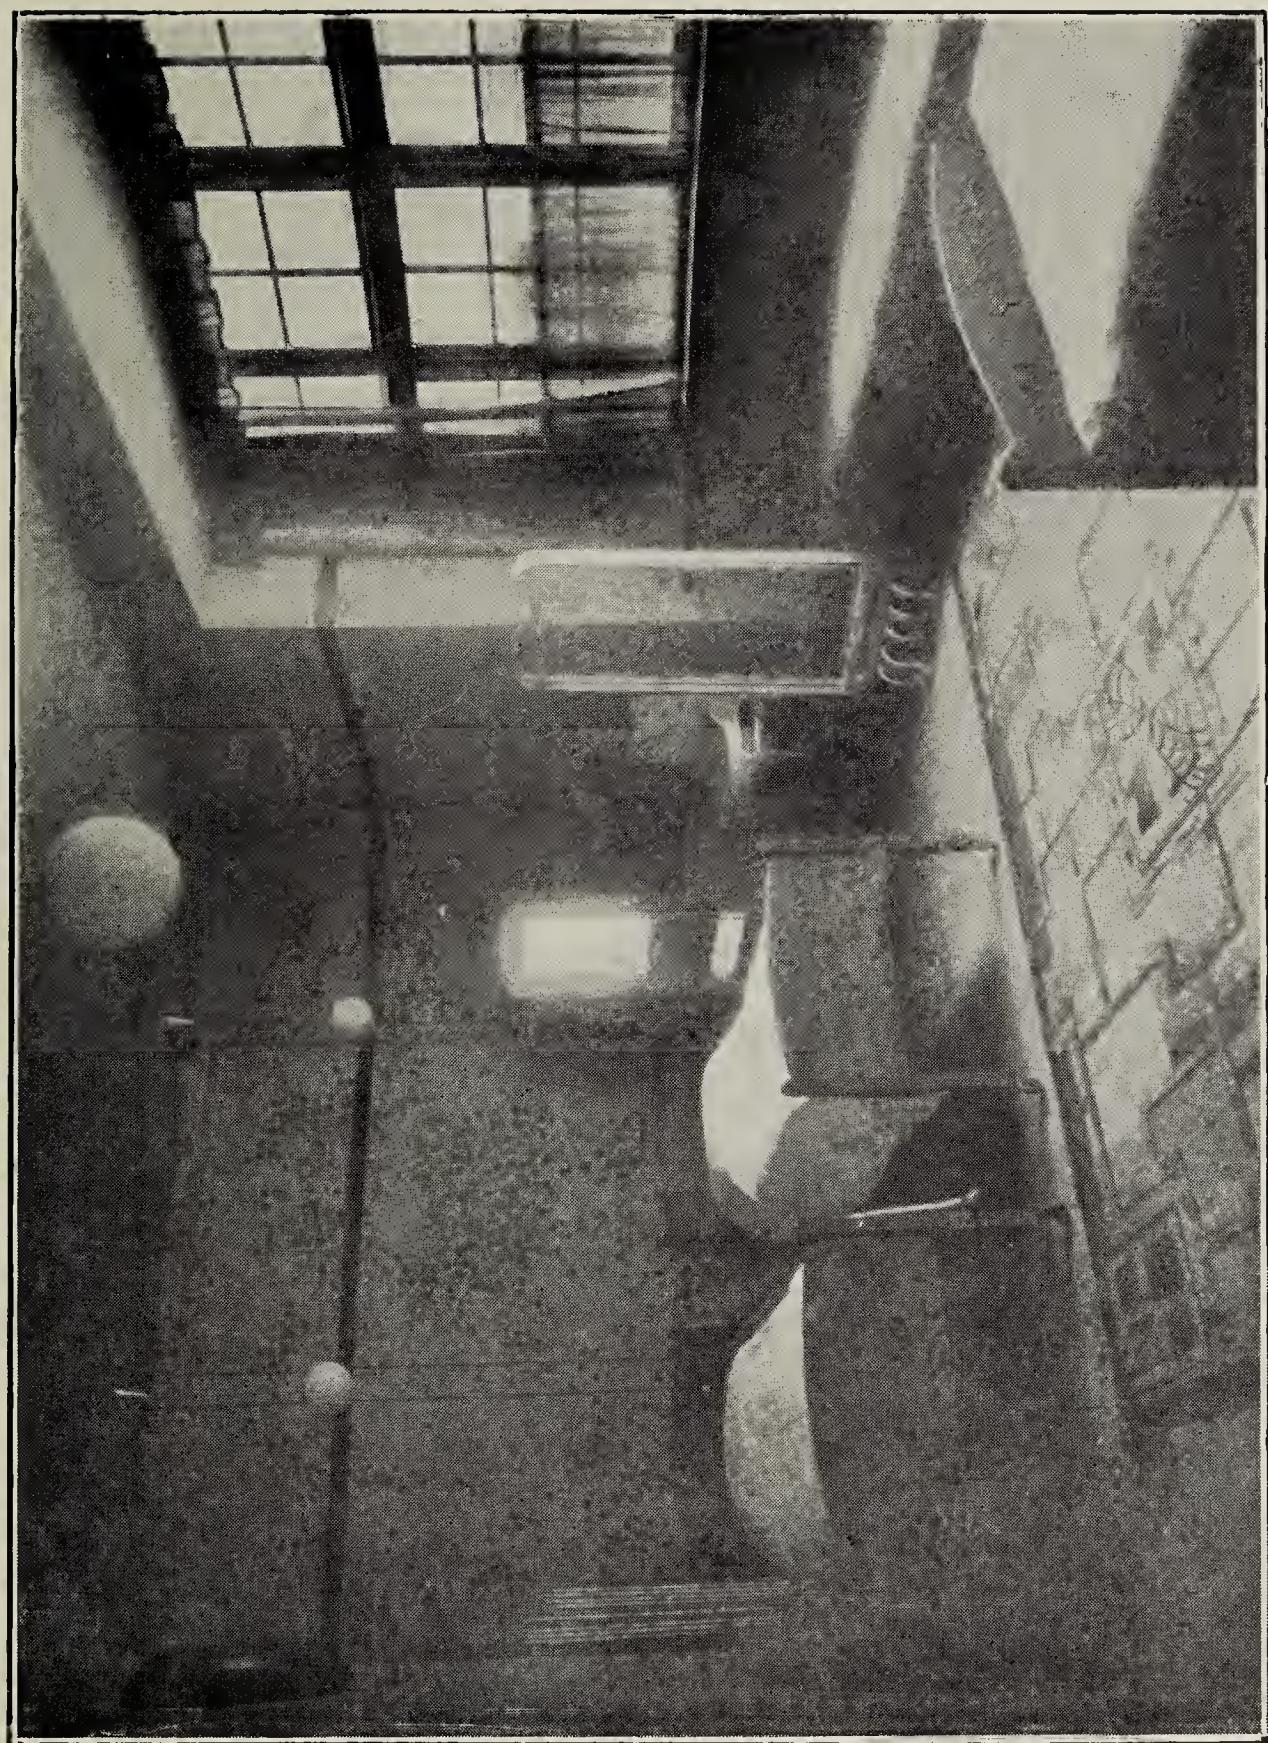

Articles of food and drink must be handed to the Sister in Charge for use at her direction.

12. The Board of Management is not responsible for the property of patients except when handed over to the Sister in Charge or her deputy and a receipt is given.

Money or articles of value may be handed to the Superintendent for safe custody and a receipt will be given for them.

13. The Board of Management reserve the right to terminate at any time the stay of any patient in the Private Wards without assigning any reason.

The Secretary is always anxious to add new names to the List of Subscribers, and would deem it a favour if present Subscribers would help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary and to contribute to its funds.

If desired, further copies of the Annual Report will be gladly supplied on application.

---

NOTE.—Recommendations are being eagerly sought for, and Subscribers who have no call for them will be doing an excellent service if they would kindly return their Recommendations to the Secretary, who would distribute them in places where they are needed.
